
MICROSOFT ACCESS XP LEVEL 4

ABOUT VICON	I
COPYRIGHT & TRADEMARKS	I
DISCLAIMER	I
LESSON 1 - USING ACTIVEX CONTROLS	1
Working with ActiveX Controls	2
Registering an ActiveX Control	2
Adding an ActiveX Control.....	4
Attaching an ActiveX Control.....	6
Exercise	8
Using ActiveX Controls	8
LESSON 2 - WORKING WITH INDEXES	9
Viewing Indexes.....	10
Creating a Single Field Index	11
Creating a Multiple Field Index	12
Deleting an Index	14
Creating a Multiple Field Primary Key	15
Exercise	17
Working with Indexes	17
LESSON 3 - REPLICATING DATABASES	19
Replicating a Database	20
Synchronizing Database Replicas	23
Resolving Replication Conflicts.....	24
Exercise	26
Replicating Databases	26
LESSON 4 - USING ACCESS AND THE INTERNET	27
Working with Hyperlinks	28
Creating a Hyperlink Field	28
Inserting a Hyperlink Field.....	29
Editing a Hyperlink Field	31
Deleting a Hyperlink Field	32

Microsoft Access Level 4

Hiding/Displaying the Web Toolbar	33
Creating a Data Access Page	34
Grouping and Sorting Data Access Pages	38
Creating a PivotTable in a Data Access Page.....	40
Encrypting a Database	43
Assigning a Database Password	45
Removing a Database Password.....	47
Exercise	49
Using Access and the Internet.....	49
LESSON 5 - CREATING MACROS	51
Working with Macros	52
Opening the Macro Design Window	52
Creating a Macro	53
Assigning an Argument to an Action	57
Saving a Macro.....	62
Using Single Step Mode for Testing	63
Running a Macro	64
Editing an Existing Macro.....	65
Running a Macro using the Tools Menu	66
Creating a Macro using the Macro Builder	67
Exercise	69
Creating Macros	69
LESSON 6 - USING MACROS	71
Using Properties	72
Assigning a Macro to a Control.....	72
Creating a Command Button	75
Adding a Condition to a Macro	77
Creating a Group Macro.....	80
Creating an Autoexec Macro.....	82
Exercise	84
Using Macros	84
LESSON 7 - USING SWITCHBOARDS.....	87
Opening and Using a Switchboard	88
Creating a Switchboard Form.....	90

Adding a Command Button to a Switchboard.....	92
Setting Startup Options.....	95
Exercise	97
Using Switchboards.....	97
LESSON 8 - CREATING CUSTOM TOOLBARS	99
Creating a Custom Toolbar	100
Adding a Built-in Menu Item	101
Creating a Custom Menu Item	103
Adding a Command to a Menu Item	105
Adding Custom Commands	106
Docking a Floating Toolbar.....	109
Linking a Toolbar to a Report	109
Adding a Separator Bar	110
Creating a Shortcut Menu.....	111
Linking a Custom Shortcut Menu	113
Adding Buttons to a Custom Toolbar.....	115
Changing a Button Image.....	116
Deleting a Custom Toolbar	117
Exercise	119
Creating Custom Toolbars	119
LESSON 9 - EXPORTING DATA TO EXCEL AND WORD	121
Exporting Data to an Excel Workbook.....	122
Dragging and Dropping Data into Excel	123
Creating Excel Workbooks - Office Links	124
Creating Word Documents - Office Links	125
Exercise	127
Exporting Data to Excel and Word	127
INDEX.....	129
